

# Special Rules Apply For All SN'9'BTOA 1<sup>st</sup>, 2<sup>nd</sup> Place Ties

## ATTENTION 8 BALL PLAYERS!!!

Should teams finish tied for either first or second place at the conclusion of the SN'9'BTOA competition, the following rules will apply: If two teams are tied for first place or second place at the end of the regular season, the team with the highest total team games won will host a race-to- 3 out of 5 rounds to decide the position. **If at the end of 4 rounds and the match is tied 2-2 then total points will determine the final round.** Regular season scoring and handicaps apply.

If three teams are tied for first or second place at the end of the season, the team with the most total games won will draw a bye and will meet the winner of the match between the teams with the second and third highest total team games won. The team with second highest total team games won will be the host to the team with the third highest total team games won to determine which team will play for first or second place. The team which drew the bye will host the final match.
